

2010 EMSI/EagleZip.com Basketball Pool Rules

1. Anyone who pays can participate. The Official Entry Form can be downloaded from www.bball2010.eaglezip.com
2. Cost is \$15.00 per pool. A player may enter as many pools as he or she wishes.
3. There will only be a Straight winner pool this year
4. Payout for Pool

70% for First Place
20% for Second Place
10% for Third Place

5. The Tie Breaker will be the person who picks closest to the combined score of the championship game.
6. Only emailed copies of the EMSI spreadsheet will be accepted as official entries. DO NOT modify the spreadsheet. If you are having a problem with the spreadsheet working on your computer (e.g. Apple/Mac) find a real computer and fill out your sheet.
7. Money is due when the sheet is submitted. Money may be delivered to any of the EMSI or EagleZip offices.
8. The following will be used as the point system:

Round 1 Winner	1 Point
Round 2 Winner	2 Points
Round 3 Winner	4 Points
Round 4 Winner	8 Points
Round 5 Winner	16 Points
Round 6 Winner	32 Points

9. Updates will be posted on the web site the day following the applicable completed games.
10. The total amount paid out will be based on the actual money received.
11. If there is a disagreement with the points awarded, forward a detailed complaint to jbensink@eaglezip.com
12. Winners will receive their money within 5 business days following the conclusion of the tournament.
13. The play in game is not recognized and will be listed as "Play-In" on the official sheet.
14. EMSI, EagleZip.com or anyone else is not responsible for typographical issues, omissions, or anything else which makes us liable for anything including the players' inability to pick winners. If you win and you paid your entrance fee, you will get your money.

Filling out the Sheet:

Fill in Last Name

Fill in Email Address

Fill in Sheet Name (Different names for different sheets)

At the bottom of the sheet is the word “Incomplete”, until this word disappears you are not done filling out your sheet.

If you see the color RED on your sheet there is a problem.

To choose the next round winner click on the arrow and it will show your choices.
